Case 4:12-cv-00883

HONORABLE JUDGE LYNN N. HUGHES

AUGUST 29, 2013

Judge Hughes :

On August 27, 2013, I received a response to my grievance from the State Bar. In William Irvan - Patrick F. McCann, Grievance #201303060, and Patrick McCann stated in his response "McCann states that in the the 5 Issues filed in my Amended petition. The Court felt my issues have merit and asked for additional briefing, **WHICH IS TAKING PLACE NOW BEFORE THE HONORABLE JUDGE LYNN HUGHES.**"

Judge Hughes, this statement lead's me to believe that Mr. McCann is continuing to litigate my case in your court. Should that be the case Your Honor. I have done **everything** I can to make this court aware I do not want Mr. McCann or Casie Gotro representing me in any shape, fashion, or form.

I do not believe that they have my best intrest at heart!

28 USCS 1654 states that The individual has a right to proceed  
Pro Se.

Fraetta V California 95 S.Ct 2525 ,18a-18b states Forcing an accused, against his will,to accept a state appointed public defender deprives the accused his constitutional right to conduct his own defence.

Your Honor I can not sleep at night, and am so stressed out due to the fact that I can not get a response from the court as to what the status of my legal filings are at this time or if I am Pro Se.

I am begging this court to give me a hearing to make me aware of my status of my appeal at this time!

Respectfully,  
William Evan.
